

Minneapolis Public Schools will provide food to students while schools are closed due to the COVID-19 virus. these foods are intended to replace the food services that services that students normally receive during the school day. Food will be distributed to students at various school sites throughout the city (see list below), and will be delivered from school buses parked in school parking lots or parking lots. School buildings will remain closed. Food pickup services will begin Tuesday, March 17 and continue Monday through Friday from 10am at 2pm, as long as schools remain closed due to the COVID-19 virus.
